INVITATION

Campden BRI Hungary Nonprofit Ltd. invites you to its
Open Day in 2021.

The main topic of the Open Day:

New opportunities for packaging development in the food industry in the light of the legislative changes

The Open Day is connecting to the Final Conference of the
GLOPACK project.

In the afternoon, the opportunities offered by the EIT Food
HUB will be presented.

Date: 11th November 2021.

Venue: Rubin Wellness és Konferencia Hotel
(1118. Budapest, Dayka Gábor utca 3.)

A projektek
az Európai Unió
támogatásával
valósulnak meg.

Invitation

The EIT Food and Campden BRI Hungary Ltd, as the Hungarian EIT Food Hub invites you to its Open Day in 2021 and the following EIT Food workshop.

The topic of the Open Day:

New opportunities for packaging development in the food industry in the light of the legislative changes

The final conference of the GLOPACK H2020 project is connected to the Open Day of Campden BRI Hungary.

The **GLOPACK project** is a project supported by the European Union's Horizon 2020 framework program on sustainable and innovative food packaging solutions and their development, focusing on three major areas of packaging development: bio-based, biodegradable, active and smart packaging.

The date of the event: 11th November 2021

Venue: We plan to organise the event with a personal attendance in Budapest, in the Rubin Wellness and Conference Hotel (1118. Budapest, Dayka Gábor utca 3.). If the epidemiological restrictions make it necessary the event will be held on-line.

The participation in the event is free of charge, but registration is requested.
